

We, the undersigned, call upon B&NES Council to reject plans for a 394-bed student accommodation block at the junction of Upper Bristol Road and Windsor Bridge. We object to this application on the grounds that it will cause additional parking problems on nearby streets and is contrary to the policies and land-use designation for this site within the Council's draft Placemaking Plan (Policy SB8). We believe that a mixed development that includes affordable homes and business space, as well as adequate parking provision and traffic improvements, would be more appropriate for this site.
